## Our Driving Force

“Bharatha Jyothi”

**Dr. RAVURI VENKATASWAMY**

CHAIRMAN

## The Institute

Sri Venkateswara college of Pharmacy is a pioneer in quality education, a brain child of Dr. Ravuri Venkataswamy. The institute was established in the year 2007 and being well managed by the Srinivasa Educational Academy, RVS Nagar, Chittoor.

SVCOP is actively engaged in imparting quality education. The Institute facilitates faculty and students to work as a team and update their knowledge and skill to match the industrial and technological development.

In a nutshell SVCOP is a right place to acquire knowledge, improve and hone skills with positive attitude.

SVCOP aims at personality development through academic excellence.

## *Our Inspiring Persona*

**RAVURI SRINIVAS**

VICE CHAIRMAN

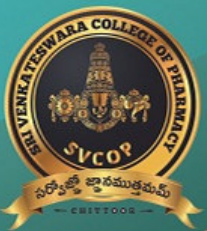

## **What we believe in?**

The goal of education is to teach the students to live, to discover the deeper meaning of life and of transcendence, to learn to interact with others, think freely and critically, find fulfillment in work and plan their future, or in a more human and harmonious society.

Education has an acculturating role. It refines sensitivities and perceptions that contribute to national cohesion, scientific temper and independence of mind and spirit thus furthering the goals of socialism, secularism and democracy enshrined in our Constitution.

**Dr.K BHASKAR REDDY**

**PROFESSOR & PRINCIPAL**

## *Why SVCOP ?*

SVCOP provide excellent academics, strong industrial links, the personal touch, convenience and a great place to live and learn make it as a preferred choice. The college is a center of academic excellence which provides an excellent base to scale the lofty heights of industry and academia. It provides the right amount of support from experienced and professional faculty to enable the students to succeed in their career. SVCOP is a lot more than just studying. The focus is on personality development through various activities and programs throughout the year.

The college takes pride of its prestigious alumni spread across the length and the breadth of the country as well other prominent countries of world. SVCOP has 54 faculties out of which 15 faculties hold Doctor of Philosophy degree. The students are taught in an excellent learning environment which transforms the student to a good citizen and a Pharmacist to serve the society. We have made concentrated efforts to develop this college into an excellent center for advanced research in Pharmaceutical Sciences.

The college institutes a number of sophisticated instruments, for fostering research and development activities at under graduate as well as post graduate level. Quality research is an unique feature of the college. It has been my continuous endeavor to develop this college as an Active Research Center Recognized by JNTUA, Ananthapuramu.

During the last 5 years or so, its research motivated faculty has completed several research projects received from various prestigious funding agencies. The faculty has excellent research track record. They have published more than 450 research papers in national and international journals of repute. They have participated in numerous national and international conferences.

The college also organizes several refresher courses, workshops/seminars every year. Apart from curriculum, major emphasis is given on developing the inter personal communication skill of students through arranging various lectures, seminars of eminent personalities. In appreciation of the academic excellence, which the college has achieved, the National Board of Accreditation (NBA) and the National Assessment and Accreditation Council (NAAC) have accorded the most coveted grades to this college. Another unique feature is that it is also DST-FIST Sponsored Institute. SVCOP family always strives to produce best quality pharmacists with good moral values.

**IGNITE | INSPIRE | INNOVATE**

*and many more...!*

# Academic Events

# *International MoU's*

# Extracurricular activity

Exposure to diverse groups can help promote students to become socially intelligent and responsible adults. However, being immersed in diverse populations is not enough, as it is only beneficial if members engage with each other. SVCOP promotes immense interest among students to involve in different activities apart from course study like Sports and NSS activities.

**"An athlete cannot run with money in his pockets. He must run with hope in his heart and dreams in his head."**

Physical Education is an integral part of holistic development of a child. It is important, because It's a link to good health. It develops cooperation, teamwork and sportsmanship skill. Most physical education programs are holistic. The program allows student to interact together to a common goal and that is to win and excel physically. It brings out the competitive sides of students working both body and mind but also promotes sportsmanship. It promotes a physically active lifestyle.
